I said yes it had been delivered and indicated [] stated he would not make it on the date involved because of his illness and the illness of his wife, and he indicated that some other later date should be set. I further explained to Sourwine that I had tried to reach him with this message on Saturday and in the absence of Senator Eastland had informed Senator Dodd. Sourwine inquired was [] being prevented from attending and I said this was not at all the case. Sourwine inquired if the individual was in fact sick. I indicated we did not know whether he was in fact physically ill but I did indicate that certainly he was in a disturbed state and more unreasonable to deal with than he had been previous [] I mentioned his claim of being a [] which several doctors have informed him he does not have. I repeated that we would have no objection if Senator Dodd wished to deal directly with the individual but at this point we were awaiting further word from Dodd. 4. [] General Carter and John S. Warner met briefly with Representatives Corbett and then Udall. General Carter pointed out that the Director was in Saigon and that as Acting Director he wished to discuss possible amendments to the Executive Pay bill with respect to the positions of the DCI and the DDCL. Mr. Corbett stated he knew there were certain amendments which he had authorized his men to agree to and he was sure this was one of them. Mr. Warner indicated that this was the case. Mr. Corbett indicated his agreement on the merits and said he was sure this would be all right. Mr. Udall had taken the time to check the situation before our arrival and indicated that these amendments were planned to be made and he was sure there was agreement among the appropriate people. General Carter indicated that he had just discussed this with Mr. Corbett who had agreed and I mentioned that this had been carefully discussed with Mr. Morrison who was in agreement and that the staff had assured me that Mr. Murray was in agreement. Mr. Udall said he would certainly support this change since it should not have been changed from his original bill.

11. [REDACTED] At the request of Mr. Donald Robinson, Administrative Assistant to Congressman Henry S. Reuss (D., Wisc.), concerning constituent queries received regarding the NEW YORK JOURNAL AMERICAN items, I provided Mr. Robinson with a copy of Senator Dodd's floor speech of 17 February. Mr. Robinson indicated that this was most helpful and was the assistance he needed in responding to these rather difficult queries. Mr. Robinson is a former member of the Office of Naval Intelligence and appeared very well disposed toward the Agency and its problems.
